Dear Parents and Carers,

As you know a school uniform review took place last half term. The biggest change we are introducing is what pupils will wear for PE from September onwards.

In the new academic year, all pupils **must** wear the following items of clothing for PE: a tracksuit top with the Canterbury Cross logo, a plain white polo shirt and plain black tracksuit bottoms, leggings or shorts.

The tracksuit top is only available from *Gogna School wear and Sports* who are our uniform providers. The cost of the top to parents is £15.50, but on this occasion, the school will pay for this for **every pupil** from Reception to Year 6. We will send you a code, and you can use this at Gogna and pick up your child's tracksuit top. If you wish to buy the Canterbury Cross branded polo shirt and tracksuit bottoms from Gogna, you will need to pay for these. School is only providing the first tracksuit top free of charge; we will not be funding any replacements.

If you do not wish to purchase the Canterbury Cross branded items, you can purchase plain black tracksuit bottoms and a plain white polo shirt from any clothing retailer or supermarket. These are usually much cheaper than the branded items and have been included in the PE uniform as an alternative.

Girls who wear head scarves need to wear pull on white scarves for health and safety reasons.

Please note from September all pupils **WILL** be required to wear the PE school uniform so make sure pupils have the correct clothing for the beginning of the school year.

I'd like to thank you for your understanding in advance.

Yours sincerely,

Mr K Din
