

Canterbury Nursery Summer B

Dear Parents,

This half-term, we will be learning about dental hygiene and water safety.

Our role-play area will be an ice-cream shop.

Summer term

Sun safety

As the weather gets warmer, please send your children with sun hats. Please apply sun cream on them before they come into nursery.

Children can bring in their own water bottles in to nursery. Please ensure it is water only; juice is not permitted.

Please label your children's jumpers and cardigans.

Children remove these items because of the heat and we have had many cases of mixed up and missing jumpers.

What we will be learning

Our stories include:

- Alan's big scary teeth
- The night pirates
- Information book about flowers

This half-term, we shall be holding our end of year celebration assemblies. The children will do a short performance followed by giving out end of year certificates. These assemblies (for morning and afternoon children at separate times) will take place on:

Wednesday 17th July 2024

10:30 Am Morning children

2:30 Pm Afternoon children

This date is subject to change.

Phonics

We will continue to concentrate on blending letter sounds to hear, say and write words.

Maths

We will be looking at counting objects, one more and number
